

# BUY A YEARBOOK NOW!!

Thomas Jefferson Middle School  
Arlington, VA

Dear Parents and Students:

Jefferson's yearbook, the **2019-2020 Journeys**, is an attractive hardcover book which will include both individual and group photographs of the students and faculty. Also, some "special" pages are devoted to pictures of the many student activities at Jefferson.

The price of the **2019-2020 Journeys** will be **\$35.00**. We want to give students the opportunity to purchase the **Journeys** early to ensure that enough copies are printed in the spring. Therefore, yearbook orders will be taken until they are sold out. We recommend you avoid disappointment and buy your yearbook in advance.

Please detach and return the lower portion of this letter along with your cash or check for **\$35.00 made payable to Thomas Jefferson Middle School**. Please **Do Not** include payment for any other items in this check.

Thank you.

Keisha Boggan  
Principal
