Today is a B Day.

From Mr. Siegel:

Beginning today with indoor soccer, all students are welcome to stay after school for drop-in sports in the gym. Mondays will be basketball day with 1v1 - 5v5 games being played (depending on how many students show up). Indoor soccer will be on Tuesdays. Thursdays will be open gym with pickup soccer and open basketball courts. Fridays will be outdoor flag or two hand touch football. No registration is required to participate on any of these days. Students who stay for drop-in sports/open gym will be allowed to take the late buses home. IT ALL STARTS today with indoor soccer. If you want to participate in indoor soccer today just come to the gym after school to the indoor soccer area behind the bleachers. As a reminder, because we will be indoors it is required that we wear masks at all times. Be sure to be in the gym by 2:40 if you want to participate.

From Mr. Malinosky and Mr. Siegel

There will be an SCA information meeting next Monday in the auditorium right after morning announcements. Be sure to come if you want to be a part of this years SCA.

From Ms. Wall:

Study Hall has begun. If you'd like some help from teachers with your homework and a quiet place to work, please come to the Library. Study hall runs 2:30 to 3:30pm Monday, Tuesday, and Thursdays. Come straight after school. You can take the late bus home or walk home afterward.

From Ms. Dunbar:

Garden Club will meet on Fridays after school. We meet near the blue shed, behind the garden, outside Lobby Door #4.

From Ms. Black:

Students if you submitted a registration for an ACT II class, it should now show on your schedule as a period 9 or 10. Please reach out to Ms. Black in the counseling area if you have any questions about your ACT II registration. Please still attend ACT II classes even if you are not sure if you are registered yet.

Here's Mr. Clark:

Good morning TJ students! I'm Mr. Clark. I am the new sponsor for Jefferson's Model United Nations Club. We will begin next week after school on Tuesday September 28th in room 80, which is in front of the cafeteria by the gym doors.

We will review basic information about the club and the expectations involved. If you are interested, or curious about international affairs and how to solve them, join us! We will be debating world affairs and how to come up with solutions to international problems. For those who are interested and have a conflict with their schedule, let me know because it is possible that we can work something out. Again, the Model United Nations Club will begin next Tuesday after school in Mr. Clark's room 80. Join us!

Have you wondered why we observe National Hispanic Heritage Month from September 15 to October 15 instead of for one whole month? The day of September 15 is significant because it is the anniversary of independence for a number of Latin American countries: Costa Rica, El Salvador, Guatemala, Honduras and Nicaragua. In addition, Mexico and Chile celebrate their independence days on September 16 and September 18, respectively. Stay tuned for more information tomorrow!

From Mr. Malinosky:

The #ClimateCrisis is upon us. From flooding in Arlington to fires in California, hurricanes in the gulf coast to droughts in the west global warming is here.

- Want to learn more?
- Want to take action locally?
- Want to push for change globally?

Join the Jefferson Environmental Club, on Thursdays after school with Mr. Malinosky in room 277B.
