.....

From an 8th grade community project-

Do you or your family have extra food? Do you want to donate that extra food? If you do please bring it to school before May 20th, we will donate that food to families that need it. We have put " Food Donation" boxes at the library, the office, the counselor hallway, and the assistant principal office. We prefer having canned food, dried food, or any type of food that doesn't need to be in the fridge. If you have any questions please feel free to talk to your TA teacher and we will answer your questions as fast as we can. Thank you.

From 8th grade students working on a Community Project:

Good morning,

We will place a box at the lost and found in the cafeteria and the other near the garden doors in the auditorium. We will place them there Monday and they can be checked Fridays. Paper and some pencils will be placed next to the box, message me if more most be provided.
